WHEELING, WEST VA., SATURDAY MORNING, MAY 8, 1880.

VOLUME XXVIII.—NUMBER 218.

AT LAST,

The Third Term Receives Its Everlasting Quietus.

New York Follows the Revolt of Pennsyl vania and Declares for Blaine Don Cameron and Lord Roscoe Defled,

ALBANY, May 6.-It has been rumore the delegates was made evident to-day in enate, and the first man to speak o less than a Republican who was judged worthy of the nomination for by a large proportion of the delegates to the Saratoga Convention. In conversation with several Senators, Sena-

n also said that he be-

other delegates of New other delegates of New othered his opinion, that sof the Utica Convention

Senator Sessions, who is also a delegate, significant with the service of the sessions, who is also a delegate, significantly in linear to vote for Mr. Saine on the first ballot. What is the set waiting for a second ballot? There is large proportion of the New York elegation for Blaine, and we intend to took for him at Chicago from the time is get there till the close of the Conventer.

NEW YORK, May 6 .- A special dispatch from Albany to the Erening Post of this city says: State Senator Woodin lead the way in the anti-third term revolt to-day y rising in his place in the Senate Chamby rising in his place in the ber and reading a speech from manuscript in apposition to the unit rule adopted at

gon special says: Mr. McManus, of object was to inform Cameron that 10 out of 12 of the Philadelphia delegates to Chieigo had determined they would not vote for ex-President Grant under any circumof the delegates against him, and to the delegates that he gave up to have replied curtly that the unit was agreed to, and he expected to by it himself and hold the delega-

All distants returned to Pallaceignas this afternoon, and he represented to some of his friends before leaving that there were no further relations between Cameron and himself. The excitement among Penseyivanians is quiet but intense. The symptoms of revolt are increasing day by day, and are watched with lively interest by folliticism.

ST. LOUIS.

St. Locis, May 7 .- It appears that the man calling himself Gen. B. A. Morton, arrested yesterday, was known to Mr. Sargrant, at whose instance he was apprebended, as John D. Kingman, a railroad mus of means. Further, that Morton, or Kingman, didn't forge the name of exinversor Palmer, but presented to the of a loan he had made to Gov. Palmer, whom he had met with in Texas in a temmentioned last night, there were black drafts on the Chemical National Bank, New York, numbered from 23,321 Coal Mountain State Line and New Eng-and Railway, R. A. Morton, New Haven,

W. S. Johnson, Deputy U. S. Marshal, lof the hindred dollars on the Mr. 1800ts, bakers at Fort Smith, which was cashed at Sheman, Texas, but he don't recollect by what name he was known then. Chief of Police O'Donnell, of Chicago, telegraphs to Chief McDonough here this marning, that if a case can't be made against Morton here, to hold him, as he is watted in Chicago.

sey arrived in the city to-day on his way to Leadville. He is direct from Arkansas First a decided preference for Blaine, but the season orders yet to be filled and said furnhermore that elevan of the twieve delegates from Arkansas, which the season orders yet to be filled and shall furnhermore that elevan of the twieve delegates from Arkansas, which the season over a man far some orders yet to be filled and shall furnhermore that elevan of the twieve delegates from Arkansas, which the season over a man far some orders yet to be filled and shall furnhermore that elevan of the twieve delegates from Arkansas, which the season over a man far some orders yet to be filled and shall furnhermore that elevan of the twieve delegates from Arkansas, which the season over a man far some orders yet to be filled and shall furnhermore that elevan of the twieve delegates from Arkansas, which the season of the twieve delegates from Arkansas, which the season of the twieve delegates from Arkansas, which the season of the twieve delegates from Arkansas, which the season of the twieve delegates from Arkansas, which the season of the twieve delegates from Arkansas, which the season of the twieve delegates from Arkansas, which the season of the twieve delegates from Arkansas, which the season of the twieve delegates from Arkansas, which the season of the twieve delegates from Arkansas, which the season of the twieve delegates from Arkansas, which the season of the twieve delegates from Arkansas, which the season of the twieve delegates from Arkansas, which the season of the twieve delegates from Arkansas, which the season of the seas where he recently took part in the Repub

over our county, the Greenbackers, on yesterday, met in the court house to se lect delegates to the State Convention

ing to appoint committees, the Convention

adjourned until 1 P. M. The reliables of the party were present Here and there over the court house square, and in little knots about the streets, could be seen members of the organization discussing, no doubt, the distressed condition of the country, and the impending failure of the resumption of specie payments and the ruin that would result to

Resolutions, in substance as follows, were adopted:
First—That we approve of the principles enunciated by the Greenback Convention at Washington.
Second—That the course of the gallant Weaver in Congress meets the approbation of the Greenback party.
Third—That on the 18th day of Jupe a County Convention be held to nominate county officers.

county officers.

solve about two and one-half hours. He had a great fund of anecdote and timely illustration. The first hour of his speech was devoted almost exclusively to a description of his travels, of the lands he had seen to the second of the second of the lands he had seen, &c., &c.
In the remainder of his speech he

In the remainder of his speech he showed, by his own expression, the disadvantage of the State bank systems, and he endeavored to show the fallacy of a metallic basis for our currency. He showed that all nations in time of warre-showed that a netalic basis for our showed that all nations in time of war resorted to credit, and then he objected to counting the cost and footing the bills in time of peace. He spoke of the misery, poverty and death that he intimated might be prevented by Greenbackers.

Mr. Travellick is a speaker of considerable humor, and many of his jokes were able humor, and many of his jokes were speakers. The window-glass works have up the large a releashone between their Union

As to fusion, there was very little evidence of it on yesterday, and I presume but little probability of it in this county. If fusion means a surrender of Republican principles, then we should be opposed to it now and always, and aldere to the principles that have given our party a success in the past. If fusion means an alliance in this State for a common purpose, to secure a respite from Bourbon rule, and a correction of some of its evils, then the Greenback and Republican parties may do well to fuse.

One thing is very evident, and that is, the Democrats are doing their utmost to prevent a fusion.

Col. Dan Johnson is in town fixing his fences for Congress. Some one asked him vesterday if he award have a new and larger one built in to storm. Dr. E. B. Yost, the father of Dr. Yost who was drowned at Wheeling, and Alex. Posters were put up offering fitty dollars reward for the recovery of the drowned from an. Lieut Malian the officer in charge of

The Cincinnati Gazette says: It is not true that Ed. Muhleman stopped off the Andes here during her last trip because he had been elected President of a base ball club.

The successor of Communder Kantz, a Lighthouse inspector of this district, will be Commander McCook, son of Anson D. McCook, of Steubenville.

Capt. Wm. List's new low water packet will be finished at Murrayville the last of the mouth, and Capt. Mart F. Noll is pretty certain that his new boat, Scioto, will be ready for business before the last of next month.

of next month.
